

RBTT Fun walk is just 6X6!

The RBTT parking lot on the Italiestraat will be the place to be this coming Saturday afternoon, November 26. The first annual RBTT Fun Walk “Caminata 6 pa 6” will take place, in cooperation with IDEFRE.

The “6 by 6” concept applies to the distance, 6 kilometers, and also the size of the groups, which must consist of 6 individuals; 3 male and 3 female. No other combinations will do. Organizers from the RBTT bank and Willy Willems of IDEFRE do promise to match up single or couple entrants to put together a group of 6.

The idea of the 6 runners to a group is to make it a team, with the freedom and creativity to display a theme of some sort. Company tee shirts will not do, the idea is to think of something fun and interesting.

There will be gift certificate prizes for each participant in the groups found to be most creative, original, and for the youngest and oldest groups. Additionally there will be cash prizes of for each member of the first five groups to cross the finish line ranging from 75 Arubian florins for fifth place to 150 florins for first place.

The fun walk will start at 4:30 pm, sharp, and the cost is 10 florins per person, or 60 florins per group.

On Thursday, November 24, group leaders can inscribe their teams at the Guillermo Trinidad Stadium in Dakota at 8:00 pm. All the rules and regulations will be explained at that time.

It looks like keeping healthy will be quite some fun this Saturday, so let your imaginations run wild, the more outlandish the team outfits, the better!
